The official weekly newsletter of BriseSage

## Bitgert Exchange is Live

Finally the wait is over. Bitgert Exchange (web version) is live. Few minor glitches are worked on, expected to be fully functional in coming days.

Bitgert Project will get an opportunity to list on Exchange.

## WHAT'S INSIDE THIS ISSUE?

- **Bitgert Exchange is Live**
- **Multichain to integrate Bitgert chain on it's bridge**
- **PayBrise BETA to be launch**
- **Bridge native \$Brise using IcecreamSwap**
- **Nabox & Rance Protocol to integrate Bitgert Chain**

# Multichain to integrate Bitgert chain on it's bridge

BitGert existing bridge will be migrated to Multichain bridge to provide the hassle free and most secured bridging solution to our community.

Quick overview of Multichain Bridge

- Supports 66 chains
- You can swap 2,947 tokens from any network to Bitgert chain
- Total Volume: \$88 Billion USD
- Total Value Locked: \$2.2 Billion USD

# PayBrise BETA to be launch

Bitgert is all set to launch BETA version of BRISE payment gateway on out Bitgert chain.

Team has deployed the contracts on TestNet for the ALPHA testings. As soon as they complete the testing process, they will proceed with the APIs linking and make the BETA version live..

# Bridge native \$Brise using IcecreamSwap

IcecreamSwap support native Brise on their Bridge.

Now all Bitgert users can directly bridge their Brise between Bitgert and BSC with the super fast and reliable IceCream Bridge

# Nabox & Rance Protocol to integrate Bitgert Chain

## \$BRISE CEX listing...

\$BRISE listed on India's Largest Crypto Exchange CoinDCX

Other listing

- Bitget Global
- CoinStore
- BingX
